In 2024, we faced numerous challenges responding swiftly to natural disasters such as the earthquakes in Syria, Turkey, and Morocco, the floods in Libya, and the ongoing crises in Gaza and Sudan. We also launched major humanitarian campaigns—including our Winter Campaign, Qurbani, and Ramadan Campaign—each benefiting over one million people. Our efforts continued through orphan sponsorship, well drilling, support for vulnerable families, and ongoing medical missions to Gaza, delivering critical care in the most difficult circumstances.

Guiding Principles

Sustainability

Sustainability is at the core of our humanitarian efforts. We prioritize empowering, creating job opportunities and fostering economic, social, and health growth within communities, laying the foundation for long-term self-sufficiency and resilience.

Rapid Response And Flexibility

We strive to be among the first to provide urgent support in emergencies. Our goal is to swiftly address the needs of those affected by tailoring our response to the evolving humanitarian demands on the ground, ensuring maximum efficiency and impact.

Ethics And Transparency

We uphold the highest ethical and humanitarian standards in all our work. We are committed to transparency and honesty in our dealings with beneficiaries, partners, and supporters, and we ensure integrity in all financial transactions. Our adherence to international agreements and humanitarian guidelines has earned us certifications for transparency from multiple countries worldwide.

Improving Quality of Life

Our mission is to transform lives and create a dignified environment for individuals and communities. Through our projects in healthcare, education, mental health, social services, relief, and development, we work to build a better and more hopeful future.

#RahmaEmergencyResponse

We deliver rapid and essential relief to those impacted by natural disasters, conflicts, and humanitarian crises. Our mission is to swiftly meet the urgent needs of affected communities whether through food, medical aid, shelter, or other critical resources alleviating their suffering and helping them rebuild their lives with dignity.

غزة
GAZA

Continuing Our Emergency Response

Since the beginning of the Gaza crisis, our teams on the ground have been among the first to respond, despite facing immense challenges and risks. Tragically, we lost three of our volunteers, who became martyrs in the cause of humanitarian work. Additionally, our office, farm, and Rahma bakery suffered damages, yet our commitment to providing relief remains unwavering.

At a Cost of

\$10 Million

People Benefiting

600,000

From day one, we utilized all our logistical resources and supplies stored in our warehouses to provide urgent relief to our people in Gaza. We established three field kitchens to address basic food needs, distributing 100,000 food baskets and 100,000 hot meals.

Aid Trucks to Gaza

+3,300

Through Egypt, Jordan, and the Palestinian territories, we delivered over 3,300 aid convoys with vital medical supplies and essential food items, becoming the first to reach northern Gaza. We also provided critical supplies, including essentials for women and children, ensuring comprehensive support to those in need.

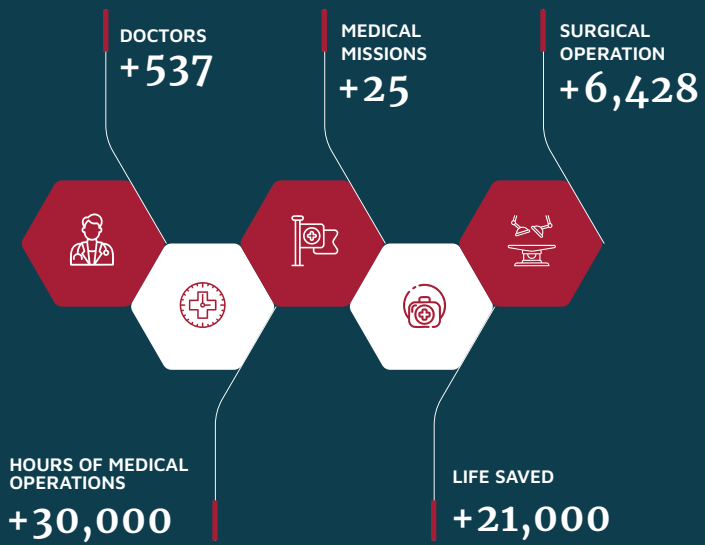

18,000

Tents for the Displaced

Our teams mobilized to provide urgent assistance to displaced families who lost their homes by establishing 68 shelter centers and distributing 50,000 blankets, mattresses, and heaters.

Our Medical Missions In 2024

In partnership with local Ministry of Health, we supplied Gaza's healthcare sector with over \$3.5 million worth of medications, devices, and medical equipment. We also provided thousands of daily meals to medical staff, distributed 8,000 first aid kits, and delivered 100,000 liters of fuel to keep hospitals operational during the conflict.

Thanks to the coordinated efforts of our medical teams, we reduced the wait time for surgical interventions in Gaza from two weeks to just two days. These were more than statistics they were moments of life, filled with pain and hope, where countless lives were saved. Our mission continues until every patient in Gaza is reached, God willing.

The events have left deep scars on adults, so imagine the impact on children.

We couldn't leave them to face their fate alone. As the first American organization to act, we swiftly partnered to provide aid to the most vulnerable children, transferring them to the USA for specialized care.

4 Core Principles For Humanity

01

Speed And Efficiency

Our teams implement swift measures to deliver immediate assistance in the shortest possible time after a disaster or in emergency situations.

02

Comprehensive Response

We unify efforts and collaborate with various entities to achieve the highest level of impact and effectiveness.

03

Human-Centered Approach

We treat beneficiaries with kindness and respect, focusing on meeting their essential and urgent needs in a concentrated manner.

04

Communication And Transparency

We engage with beneficiaries, providing clear and sufficient information about our services and ensuring rapid access to what they need.

\$ 15,000,000

The Total Cost of Emergency Response Campaigns For Humanity

In 2024

Each year, we strive to expand our impact and reach more vulnerable communities. The year 2024 was especially challenging, marked by numerous disasters and conflicts. Despite these hardships, we remained committed to providing immediate, tangible assistance to affected countries, always guided by the core values that shape our humanitarian mission.

Because orphans are the true investment in the future of our communities, we are committed to providing them with love, care, and responsible support through our sponsorship programs. We ensure their basic needs food, education, healthcare, and access to recreational, cultural, and sports activities are fully met. Our goal is not only to offer them a dignified life but also to instill hope for a bright future.

Major Food Campaigns of The Year

Ramadan

This year, Ramadan was filled with mercy and love, as we organized communal Iftar gatherings that brought together many underprivileged families and orphans in an atmosphere of warmth and hope, drawing smiles to their faces. We also distributed meals and food baskets to homes and camps in Syria, Gaza, Yemen, and other countries.

CAMPAIGN

We Make a Difference

#WinterCampaign Each winter, millions of people endure increasingly harsh conditions as freezing temperatures transform inadequate shelters into life-threatening hazards. The cold not only jeopardizes lives, but also deepens existing crises—worsening food insecurity, straining fragile health systems, and compounding the daily struggles of the most vulnerable. In response, our global teams act swiftly and strategically, overcoming logistical challenges to reach even the most remote communities. Through the delivery of winter-specific assistance—including thermal blankets, warm clothing, heating fuel, and shelter reinforcements—we help safeguard families against the deadly consequences of winter restoring dignity and hope when it is needed most.

Water scarcity is a global issue, and we've made it our mission to drill wells in remote areas where access to clean drinking water is limited. These wells have quenched the thirst of millions and brought life to many communities.

A Direct Commitment to Enhancing Humanitarian Impact

Rahma Worldwide's leadership prioritizes on-the-ground presence, driven by a firm belief that a close understanding of needs is fundamental to delivering effective and sustainable humanitarian responses. In this context, the administrative team conducted over 9 impactful field visits to affected and humanitarian areas. These visits aimed to assess conditions, provide direct support, and monitor the impact of projects on the ground.

These diverse tours covered several destinations. The year began with **Mr. Ahmed Al-Halabi, Executive Director**, leading a visit to Lebanon to deliver winter aid and school supplies. Following this, **Dr. Shadi Zaza, President of the Organization**, accompanied by **Sheikh Saleh Al-Hajj, Head of the Fundraising Team**, visited Turkey to oversee support for orphan centers and distribute educational aid.

Visits to the Gaza Strip

The period also included two significant **visits to the Gaza Strip**, during which **Dr. Shadi Zhaza**, **Mr. Adib Shuwaiki**, Vice President, and **Mr. Ahmed Al-Halabi** accompanied Rahma's Fifth and Eighth Medical Missions. Direct oversight was provided for the entry of medical teams, coordination of distribution operations, and provision of logistical support. Furthermore, the teams visited camps to assess urgent humanitarian needs.

These field visits underscore Rahma Worldwide's commitment to proactive leadership, rapid response, and building trusted partnerships on the ground. This approach significantly enhances sustainable humanitarian impact and addresses the calls of the most vulnerable communities worldwide.

In **Yemen**, the delegation supervised the launch of sustainable development projects, most notably the Al-Thalaya School, alongside major humanitarian response campaigns such as Eid al-Adha sacrifices and food basket distribution. The team also held official meetings with several Yemeni officials to enhance local cooperation.

The tour concluded with a field visit to Kenya to inaugurate the largest charitable slaughterhouse there and oversee preparations for Eid al-Adha.

Rahma's Bakery In Kenya

A Humanitarian
Project Feeding
+1,000
Families Daily

In direct response to East Africa's escalating hunger crisis, Rahma Worldwide launched the largest humanitarian bakery in Africa as part of its "Raghif Rahma" campaign in Kenya. This vital project, a model for sustainable development, provides fresh bread daily to over 1,000 needy families.

It is operated by a dedicated local team, aiming to create employment opportunities that contribute to community advancement. The bakery utilizes modern production lines with the highest quality and food safety standards to deliver bread free of charge, serving remote and most vulnerable communities in the region.

Victory Response In Syria

Towards Dignified Living and Recovery

For over 13 years, Rahma Worldwide has remained committed to supporting the resilient Syrian people—accompanying their journey from the beginning of the revolution in 2011 to the declaration of victory in late 2024. During this period, we delivered vital humanitarian aid and emergency relief, responding swiftly to major crises, including the devastating 2023 earthquake.

Following the victory announcement, our teams immediately initiated coordination with the new Syrian government, signing agreements to facilitate our field operations.

The Media's Eye on Rahma

In 2024, we significantly expanded our media presence and forged strategic partnerships with both local and international outlets. This expansion aims to amplify the voices of affected communities and highlight the profound impact of our work, underscoring how compassion drives positive change.

These efforts have considerably enhanced the transparency of our operations and built stronger donor trust, thereby broadening our global influence. This has been clearly demonstrated through our features on esteemed media platforms such as **Al Jazeera, CNN, TRT World, Yemen TV, The New York Times, and the Detroit Free Press, among others.**

Rahma USA Tour

Uniting Hearts for Gaza and Sudan

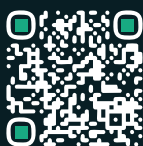

In 2024, Rahma Worldwide launched the second iteration of its "Rahma Tour in America," bringing together **communities in 11 U.S. cities**. The renowned international **artist Mohamed Tarek** and **artist Mohamed Abbas** participated in this tour, delivering impactful performances that raised voices in support of the people of **Gaza and Sudan**.

+10
containers
of aid to Gaza

Each event offered a blend of sorrow, emotion, and joyful moments, leaving an unforgettable impression on the hearts and minds of the audience. The tour's profound impact extended beyond the performances, translating into the shipment of over 10 containers of aid to Gaza, thanks to the generous support and donations received throughout the tour.

Together for Gaza, Lebanon & Sudan

RAHMA USA

Rahma At Global Conferences

Rahma Worldwide's efforts extend beyond relief work, encompassing participation and sponsorship of global and regional events and conferences.

MINDS Conference 2024

Malaysia

Rahma Worldwide actively participated in the MINDS Conference 2024 in Malaysia, a leading global forum for non-profit organizations and change-makers. This pivotal event provided a platform to discuss the future of humanitarian efforts and develop innovative solutions for challenges in Asia. Our team engaged robustly in specialized sessions and workshops, affirming Rahma's commitment to knowledge exchange and showcasing our innovative approach to sustainable humanitarian impact.

This participation aligns with Rahma's strategic expansion, fostering key partnerships in new regions to advance our vision of inclusive and sustainable development through global collaboration.

Mar 7, 2024

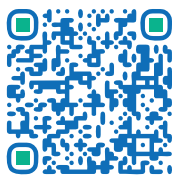

MAS-ICNA Convention

Baltimore 2024

At the MAS-ICNA Convention in Baltimore, Rahma Worldwide engaged over 30,000 attendees through a dynamic presence that spotlighted our field-driven humanitarian work. One of the most compelling moments was the introduction of the Gaza VR experience—offering visitors a deeply immersive window into life under siege. We also shared key updates from our ongoing medical missions to Gaza, which continue to deliver critical care despite immense challenges on the ground.

May 25–27, 2024

ISNA 2024 Conference

Rahma's Leadership in Humanitarian Work
Dallas, USA

Rahma Worldwide actively participated in the ISNA 2024 Conference, the premier gathering for leading Islamic charitable organizations. During the conference, we showcased our distinguished humanitarian efforts, primarily our medical missions to Gaza, which bravely defied the siege to provide essential surgical care. We also highlighted our crucial role in distributing humanitarian aid, affirming our continuous commitment to extending a helping hand wherever needed and embodying the values of solidarity and giving at the core of our mission.

Aug 30-Sep 2, 2024

The 20th Conference of (AMJA)

Dallas, USA

Rahma Worldwide participated in the 20th conference of the Association of Muslim Scholars of America (AMJA), held in Chicago. The conference served as a crucial platform to showcase our humanitarian initiatives and discuss the challenges faced by Muslim families in the West.

The association highlighted its programs aimed at supporting families in need, emphasizing their role in fostering family and community stability. It also underscored the importance of instilling Islamic ethical values, particularly the value of giving, in building a conscious generation committed to its identity.

Oct 11, 2024

MAS-ICNA Convention 2024

Chicago, USA

It was an honor for Rahma Worldwide to participate as a Platinum Sponsor at the MAS-ICNA Convention in Chicago—one of the largest Islamic gatherings in North America. We proudly used this premier platform to highlight key milestones in our humanitarian work, including the delivery of over 1,200 aid trucks to Gaza and the deployment of nine medical missions that provided critical care under extreme conditions. Our booth also featured the immersive Gaza VR experience, alongside stories from our relief efforts in Syria and advocacy for detainees, seeking to reflect our unwavering commitment to serving those in need.

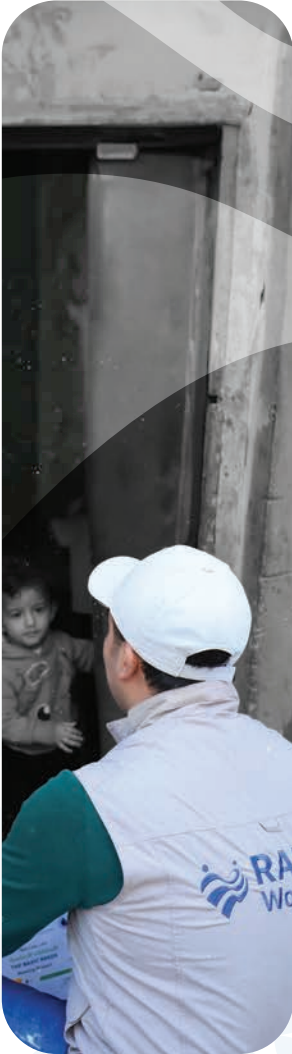

December 28–30, 2024
