Six consecutive Ramadan seasons have passed and we witnessed a seventh one. Yet, the situation of the Syrian people is getting worse especially with the threat of the COVID-19 pandemic affecting most of the world this year.

Ramadan is always an opportunity to give and provide for individuals who are less fortunate. As our work continues to expand, it's vital to reflect on what we've accomplished, and set out new challenges for us to grow. We would like to take a moment to thank all of our generous donors and all individuals who believe in our mission and thanks to our supporters, Rahma Worldwide was able to feed many families with our Ramadan Kitchen & Food Basket campaign in Syria, Lebanon, Jordan, Yemen and the Gaza Strip.
