Dear valued partners, supporters, and donors

Rahma strives to create positive change in communities worldwide. We are proud to have your support as we work towards our mission of securing a dignified life for humanity everywhere.

Since our inception, Rahma has been dedicated to assisting vulnerable groups through social and developmental programs, while also contributing to enhancing the resilience and stability of affected communities to increase their capacity for recovery. **Our top priority is to achieve sustainability,** and partner with local and international organizations to support relief efforts, achieve sufficiency, and improve life in various fields **such as:**

 Education
  Environment
 Health
  Women and Children

Over the years, we have worked tirelessly to achieve our mission, and our efforts have borne fruit. Our team has launched urgent response campaigns for those affected by floods in **Pakistan and Sudan**, equipped teams in **Lebanon** to provide emergency support to displaced refugees, and employed medical staff in **Palestine and Lebanon**, and secured clean water tanks for the camps in **Yemen**, distributed school uniforms, and built homes in **North Syria and other regions.**

We owe our success to the tremendous efforts and dedication of **our teams and volunteers**, as well as the unwavering support of our partners and donors.

Thank you to all of you who have embraced our mission and contributed to securing a dignified life for humanity everywhere. Without your support, none of this would have been possible. **We are grateful for your continued support,** and we look forward to working with you towards a better world.

Dr. Shadi Zaza

CHIEF EXECUTIVE OFFICER

Our Principles

1

People at the Center

Our mission revolves around the well-being of individuals. We are committed to placing people at the center of our efforts, prioritizing their needs and providing compassionate care.

2

Promote Humanitarian Principles

We believe in the inherent dignity of every individual and strive to **make a positive impact on the lives of families in need**. We are dedicated and working tirelessly to meet their essential needs and empower them to thrive.

3

Emergency Response

When disasters strike, we act swiftly. Our teams assess the situation and provide immediate relief to affected families. We understand the urgency of **needs and work to alleviate the suffering**, bringing comfort and hope during times of crisis.

4

Ethics And Transparency

Integrity is at the heart of our organization. **We maintain the highest ethical standards**, treating our staff, partners, and beneficiaries with equality and fairness. Transparency is our commitment, ensuring open communication and accountability in all our actions.

Summary of Initiatives

DEVELOPMENT

 NORTH SYRIA

Jabal Al Mukaber village

We established housing units project in the Harem-Barisha area of Idlib, North Syria, named after the village of **Jabal Al-Mukaber-Jerusalem**, in collaboration with the 48 Relief Association in Palestine, providing more than **150 housing** units with **50 sq. m. each**.

The project aims to improve the lives of refugees who have been struggling with homelessness and suffering in camps, offering them a decent and stable living environment.

 **+150 HOUSING**

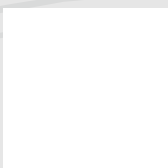

2 The Decent Shelter Project

Successfully completed with the construction of houses for underprivileged families, including orphans and widows, in the city of Baza North of Aleppo. **Each unit comprises two floors, along with shops to facilitate economic activities.** Apartments includes three rooms and other necessary facilities for a comfortable living space.

3 CAD Training Programs (Computer Software)

We sponsored over **40 talented students** to learn Computer-Aided Design, all of whom have completed the program and secured jobs in industrial and architectural design. They are now supporting their families and contributing to the local economy.

DEVELOPMENT

 USA

Plumbing Program in Michigan, USA

Our program targeted individuals in the Metro Detroit area who sought certification as plumbers. Conducted in cooperation with state-approved trainers at Rahma HQ USA, the program successfully placed over participants on the path to success. Upon completion of the program, participants were provided with a tool kit to start their own plumbing businesses.

DEVELOPMENT

AGRICULTURE

NORTH SYRIA

Agricultural Nursery in N. Syria

As a sustainable project, we launched an opportunity for youth employment by providing seeds and crops, in addition to building greenhouses, infrastructure and all the materials necessary for the path of success. Expansion plans are underway to include other regions.

Twenty young men have been employed to work in these greenhouses as a first step towards achieving the project's goals by providing employment opportunities for youth from displaced families.

GAZA

Agriculture Project

Launched in 2020, this project is considered a development model that supports multiple charitable projects in the area. Spanning 10 acres of cultivated land, the project provides over 30 job opportunities and supports 35 families. It includes 14 plastic houses, sheep pens, and produces more than 40 tons vegetables annually.

AGRICULTURE

MEDICAL INITIATIVES

NORTH SYRIA

Oxygen Station

The oxygen station project in partnership with MedGlobal, is a one-of-a-kind project essential in saving lives. The station provides support to hospitals and health facilities, helping to aid those at the highest risk to recover faster.

Ar-Rahma Hospital - Darkoush, Syria

The hospital serves thousands of patients. We have been committed though our sponsorship, we have upgraded medical facilities, and provide medical supplies and rehabilitation equipment to the hospital. This added new wards providing better services to patients.

Gaza Strip

Our medical initiatives have ***made a great impact on the strained health sector already facing severe lack of medicines and personnel.***

We completely rehabilitated many departments such as physiotherapy, and ICU department in the Kamal Adwan Medical Complex to provide free treatment for people in northern Gaza. In addition to covering doctor salaries, we provided medical equipment, including dialysis catheters and other vital apparatus.

MEDICAL INITIATIVES

WASH

EMERGENCY RESPONSE

1 Food Security

We prioritize food security in our operations to range from seasonal campaigns during Ramadan to emergency relief and ready-to-eat meal distributions. **We also have active projects such as bakeries, soup kitchens, and food basket distributions.** We provide nourishing meals to those who are in dire need of sustenance.

2 Water, sanitation and hygiene (WASH)

To improve living conditions in refugee camps and needy households, **we provide hygiene kits consisting of cleaning supplies, personal hygiene items, and female sanitary products.** Additionally, we conduct sanitation projects where our team sanitizes communal areas to prevent the spread of diseases.

3 Drinking Water

Access to clean and **safe drinking water is a basic human need**, yet many people around the world struggle to obtain it. We address this issue by installing water tanks in remote areas with limited water supply and replenishing them regularly through water trucks. We also repair damaged water infrastructure and dig wells to provide thousands of families with long-term access to clean water.

EMERGENCY RESPONSE

Non-Food Items (NFI)

Over 100 thousand people benefited from our Winter Campaign. Our teams in Taiz and Marib in Yemen, Idlib and Aleppo in northern Syria, and the Gaza Strip implemented several projects, including restoring homes and tents for needy families, distributing heaters, blankets, clothes, and fuel, and providing orphaned children with winter clothing to protect them from the harsh cold.

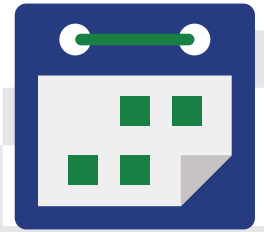

EMERGENCY RESPONSE

SEASONAL CAMPAIGNS

Udhia /Qurbani Campaign

During Eid Al Adha we provide fresh meat to over **195,000 families** in need. Every year we sacrifice and distribute **over 2,000 sheep, 800 goats, and 100 calves in different countries such as Yemen, Syria, Lebanon, Palestine, Myanmar, Türkiye, Sudan, and others.** Our efforts aim to support those facing food insecurity.

SEASONAL CAMPAIGNS

ORPHANS SPONSORSHIP

We currently sponsor an orphanage and provide a safe haven for over 2,500 orphaned children in conflict-stricken regions such as Syria, Yemen, and Gaza. Our "Sponsorship Rahma Orphans" campaign aims to extend this support to more children in need in other regions worldwide.

 **2500**

ORPHANS SPONSORSHIP

Rahma's orphans in Gaziantep, Türkiye were the focus of our **"Let's Rejoice Together"** activity, which aimed to strengthen their mental health, and provide them with a positive outlook on life.

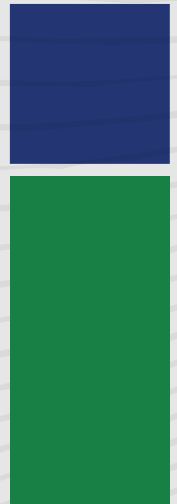

URGENT RESPONSE

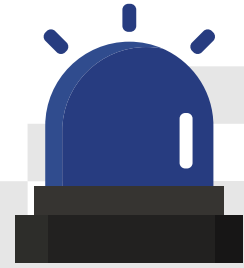

PAKISTAN

Pakistan floods

Our team made an immediate response after the displacement of thousands of families affected by the catastrophic torrents and floods in Pakistan, which caused the death of more than **1,500 Pakistanis** and affected more than **5 million people**, and we launched an urgent relief appeal for a fundraising campaign, and the generosity of a number of donors, so we were able to prepare relief aid And food baskets containing oil, flour and some other basic materials were distributed to the displaced, and the relief did not depend on that only, but we visited the flood sites, and we monitored the reality of the destroyed houses that were flooded with rain water with the aim of securing tents and temporary alternatives for families.

URGENT RESPONSE

LEBANON

2 Syrian refugees in Arsal camp

After the massive fire that struck the Syrian refugee camp in Arsal, east Lebanon, our team rushed to the scene, and Rahma's urgent response trucks arrived at the site, loaded with humanitarian aid for the affected and afflicted families.

URGENT RESPONSE

SUDAN

Ethiopian refugees in Sudan

Amidst the recent conflict in Ethiopia, approximately 60,000 refugees fled to Sudan, settling in harsh desert areas. Our team delivered aid to 26,500 refugees in this challenging environment, providing them with Food Baskets, Hygiene Kits, and Shelter Items like Water Proof Blankets and Plastic Tarps. We overcame the unforgiving terrain to make a meaningful impact in their lives.

EDUCATIONAL FIELD

1 Back-to-School Campaign

Education is a fundamental right of every child. That is why we have intensified our efforts to facilitate the return of students to school and provide them with necessary supplies such as bags, stationery, books, and winter clothes. Students living in conflicts face most challenges to access education due to difficult economic conditions and the high cost of living.

2 Education Systems and Rehabilitation

We strongly believe that education is the key to empowering the communities we serve and achieving long-term sustainability. Our efforts include constructing new schools and sponsoring education teams, as well as rebuilding and rehabilitating damaged or neglected classrooms. Additionally, we work to repurpose abandoned buildings as educational facilities to maximize available resources.

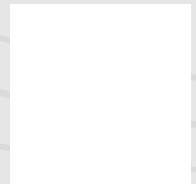

EDUCATIONAL FIELD

Education Opportunities

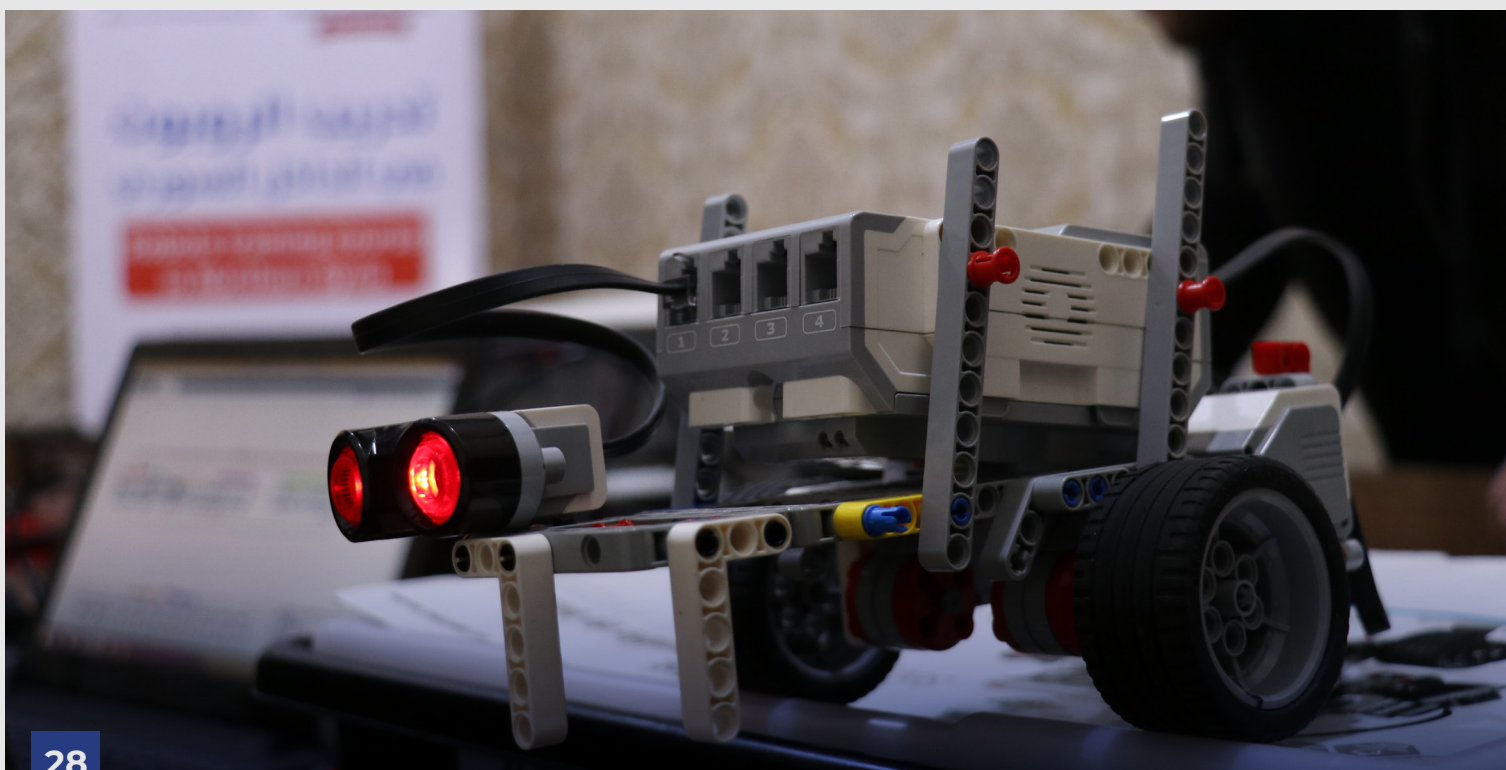

We are dedicated to providing high-quality educational opportunities for a brighter future. We conducted courses in Women's Empowerment, First Aid, Robotics, Plumbing and Carpentry, Computer Design and Software, Job Seeking Skills, Sewing for Women, and much more.

We help individuals **gain practical skills and knowledge** that contribute to personal and community growth.

EDUCATIONAL FIELD

PSYCHOLOGICAL FIELD AND COMMUNITY BUILDING

COMMUNITY BUILDING ACTIVITIES IN:

America

LEBANON

YEMEN

SYRIA

PSYCHOLOGICAL HEALTH:

Initial Psychiatric Intervention License Program:

We launched a pioneering effort in Gaziantep, Türkiye as an initial psychological intervention license program “Psychological Paramedic”, due to the need to find scientific and practical solutions that contribute to reducing the deterioration of the psychological state of refugees, displaced persons and vulnerable people who are largely located in southern Türkiye.

The program aims to qualify cadres capable of dealing with various psychological conditions according to the approved curricula and protocols, after 130 training hours interspersed with scientific research, theoretical and practical training sessions that lasted for a full month, 80 trainees obtained a graduation certificate and an initial psychological aid license

PSYCHOLOGICAL FIELD AND COMMUNITY BUILDING

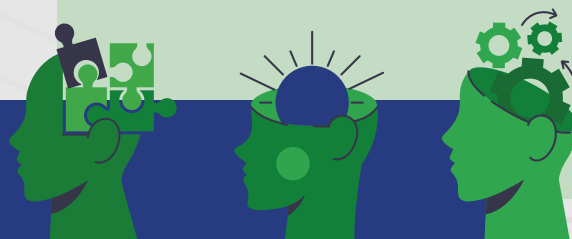

America's Mental Health Center:

We are proud that Rahma is cooperation with Mental Health America, as the affiliate for southeastern Michigan to provide counseling services and programs to educate and raise awareness of the importance of mental and psychological health for youth, adolescents, couples and families, from Through cadres and experts of well-qualified professional therapists, to be able to help all patients overcome obstacles, challenges and psychological disorders, and to secure the opportunity to coexist with people.

For Psych Radar:

Rahma launched the *"Psychological Radar"* program, which is our latest activity in the field of mental health in Gaziantep, Türkiye. The program aims to introduce participants to how they make their decisions, organize their lives, and perceive the external events around them, by examining new approaches concerned with analyzing personality patterns. The program lasted for 3 days in an interactive atmosphere that combines depth of information and skill acquisition.

PSYCHOLOGICAL FIELD AND COMMUNITY BUILDING

Building the society:

We carried out many events and activities within the framework of community building campaigns, including the **“Character Building”** event that was held in the state of Michigan, which focused on strategies, values, and connections that stimulate inspiration, and promote learning and support for all.

While the **“Fathers and Sons Camp”** and **“Mothers and Daughters Camp”** reinforced the principles of family protection and strengthened the positive mutual relationship between them, the “Time Management and Work Pressure” workshop, which was presented to Syrian and Lebanese youths, added a lot of benefit to them in pursuing their lives and work

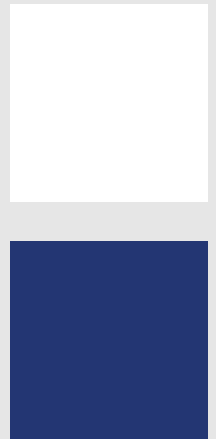

More than 500 Syrian refugee children, as part of the **“Summer of Rahma event”**, had the opportunity to engage in recreational activities, including trips and visits to historical landmarks in separate regions of Lebanon, in addition to psychological support sessions that supported them and made a difference for them in their lives and behavior

We also organized a wedding and a **“collective wedding”** for 60 Syrian youth from the displaced residing in the north of Syria in the village of Buhourta in the countryside of Aleppo

In Summaer of 2023, we are launching a new initiative that will offer a unique opportunity for young people living in America between the ages of 17 and 25. The initiative will allow them to experience life as a refugee in the asylum camps located in the countries where Rahma operates. This initiative is the first of its kind and is still under study. Stay tuned for updates as we work to bring this exciting opportunity to fruition.

PSYCHOLOGICAL FIELD AND COMMUNITY BUILDING

PSYCHOLOGICAL FIELD

WASH

Water is the source of life, and clean drinking water is an absolute vital human need. ***We dedicated a large portion of resources towards WASH in 2022.***

\$259,987

During 2022, we have directed \$259,987 in funds towards WASH and reached 14,360 beneficiaries.

\$367,319

Since the foundation, we have directed \$367,319 in funds towards WASH and reached 402,860 beneficiaries.

RAHMA'S SUCCESS STORIES

in Humanitarian **■**
the Agricultural **■**
field Medical **■**
and educational

Every day, we witness hundreds of success stories of groups and individuals who, with our support, managed to overcome all obstacles and difficult circumstances and achieve success.

Hair salon:

We were able to fulfill the childhood wish for Bushra Mustafa, a Syrian refugee to practice hairdressing, and help her open the salon inside her home in Türkiye, where the basic necessities and requirements for the salon were provided with the aim of supporting her in providing for her family.

Ambulances in Lebanon

We equipped a complete ambulance system containing medical equipment to provide first aid. **Three ambulances** for emergency service, affiliated to Hamshari Hospital in the western Bekaa, Lebanon, in cooperation with Bisco Company

Blacksmith workshop

Our team helped the blacksmith Bassem Ismail, a resident of the Atmeh camp, to realize his dream, which he thought was far-fetched. We opened a new workshop for Bassem and provided him with everything he needed, so that he would be able to help his family and ensure the continuity of his profession, which he had been cut off for 10 straight years

Uncle Abu Muhammad's shop

After our team renovated his house, Abu Muhammad, who was displaced in northern Syria, dreamed of having his own project through which he could secure his daily sustenance for himself and his children. The door to his livelihood is now open through his shop, which Rahma fully equipped and provided him with all the required supplies
